

4 May 2017 – The Hong Kong Art Gallery Association (HKAGA) is pleased to announce new appointments within the Board of Directors. Former Vice-president of the Association, **Angela Li** of **Contemporary by Angela Li**, has been appointed Co-President alongside **Katie de Tilly** of **10 Chancery Lane Gallery**. The appointment comes as our former Co-President, Henrietta Tsui-Leung of Galerie Ora-Ora, has moved to a new role as Honorary Chair, President Emeritus.

Angela Li is the founder of Contemporary by Angela Li, representing emerging and established artists from Hong Kong, China and beyond since its establishment in 2008. Angela holds a degree in Business Mathematics & Statistics from the London School of Economics & Political Science, University of London. She was a banker at HSBC and later set up her own art consultancy company. Since its establishment, her gallery has gained considerable attention under Angela's direction, bringing surprises to the local and international art scene.

HKAGA is delighted to announce that Angela shall be working even more closely to oversee its operations, including **Hong Kong Art Week (16-26 November 2017)**.
