The car, managed by Hong Kong based race team KCMG, is a Le Mans Prototype racing car with an ORECA chassis and impressive Nissan engine. Presented by The Hong Kong Art Gallery Association and sponsored by Bank of China (Hong Kong) Private Banking, *Autumn Week – Autumn Edition* is led by gallerists in Hong Kong, who have brought together local art experts, curators and cultural spaces in the city to create a multi-faceted and engaging programme that embraces all Hong Kongers and visitors; from curious newbies to serious collectors, from young professionals to families.

The HKAGA is dedicated to supporting the city's unique cultural community and highlighting why art matters, how it benefits society and how easy it is to explore art and culture in Hong Kong. It has put together an extensive programme of events for *Autumn Week – Autumn Edition* which has something for everyone.

Highlights include a two day **Art Symposium**, to be held at Asia Society and supported by the Mandarin Oriental, a community-wide **Family Art Day** run in partnership with Nike, Art Loop, Arts Plus, Affordable Art Fair, K11 and the Asia Society in Tamar Park, **Art Day at South Island** which will include 18 studios and galleries, (a free bus shuttle service will run from Central and also from Wong Chuk Hang to Tin Wan), and **Art Treasure Hunts** through the city's art districts with a **dedicated mobile map app** that guides users around cultural highlights and galleries in the city.

On top of all that don't miss the **Gallery Walk for Charity** that will see over 40 galleries from Central, Sheung Wan & Sai Ying Pun open for an exciting evening which also includes over 25 surprise artist performances, live music and street art. With tasty bites by some of Hong Kong's best neighbourhood restaurants and drinks supplied by Absolut, Peroni & Pont des Arts wines, expect a festive artsy atmosphere. It will be a fun night of art exploration and discovery.

Wendy Tsang, Managing Director and Head of Private Banking of Bank of China (Hong Kong) Private Banking commented, "It is fantastic to be involved in one of Hong Kong's largest art events in the year. During the past four years, Bank of China (Hong Kong) Private Banking has witnessed *the Hong Kong Art Week - Autumn Edition* growing into a full-fledged festival of international standards.
